

## CERTIFICATION OF KNOWLEDGE: LIMITATIONS OF SCOPE AND DISCLAIMER

The *Hazing Prevention Educator Certification* and the *Hazing Investigation Certification* are certifications of completion issued solely by CAMPUSPEAK. The purpose of the certifications is to verify that the certificant has completed coursework covering core principles of hazing awareness, prevention, and investigation by completing the curriculum components identified and delivered by CAMPUSPEAK. The *HazingPrevention.Org Institute of Hazing Prevention* is a component of the certification criteria established by CAMPUSPEAK. HazingPrevention.Org also provides subject matter expertise to CAMPUSPEAK to review elements of the other curriculum components. However, HazingPrevention.Org does not deliver the materials to students, test the certificant's knowledge, or otherwise ensure that the certificant has actually completed the curriculum. The certification process is the sole responsibility of CAMPUSPEAK. To the best of HazingPrevention.Org's knowledge, the certificant is the person who has taken and successfully completed the curriculum components.

The certification is an attestation of knowledge at the time of completion of the curriculum components only. The criteria for successful completion of the curriculum components is acknowledged to be at the sole discretion of CAMPUSPEAK and may be subject to change. The certificate does not represent, warrant or guarantee that the certificant is properly prepared or equipped to perform hazing awareness, prevention, or investigations.

HazingPrevention.Org will not be liable for any damages or injury, including but not limited to, special or consequential damages that result from the use, application, representation of, misrepresentation of, application of, or the inability to use or apply, the materials covered in the curriculum used by CAMPUSPEAK in the certification process.
